4:15pm	NEW BUSINESS	<p>Key findings from the Epidemiology Substance Use Assessment & discussion</p> <p>A dashboard using traffic light indicators was developed to demonstrate data trends. Red indicates an increase, a high value, or an area that could be considered for intervention. Wendy presented the red light indicators that were identified in the study related to alcohol, tobacco, marijuana, opioids & heroin, and cocaine & other drugs.</p> <p>Using this data, the next steps for our coalition will be to identify “red light” data trends that we would like to address and develop a plan to be implemented. We will begin this process at future meetings.</p> <p>For a copy of the full report, please contact Lauren Houghan at laurenhoughan.coalition@gmail.com</p>	Wendy
