A NOTE FROM THE COORDINATOR

Hello council members,

Our next coalition meeting is on Wednesday, February 12 from 3:30-4:30pm at the Grand Traverse County Health Department with a hybrid Zoom option. We will be discussing the recent rebranding of the coalition, as well as sharing updates on Grand Traverse County's opioid settlement funds. Everyone is welcome and I hope that you can join us!

Be well,

Lauren

COLOR FOR HOPE

We have received a lot of community support so far and our Color for Hope fundraiser continues! These 18"x24" colorable posters come in four unique designs, two Traverse City and two Leelanau posters. The designs include businesses, landmarks, and scenery specific to these areas. The local artist, Susan Alexander, spent hours in the natural areas, businesses, and landmarks of Traverse City and Leelanau County areas to capture the beautiful details. Susan Alexander lost her daughter to the disease of addiction. She is a passionate supporter of this cause and donated these posters as a way to further efforts to curb addiction and increase availability of resources related to education, prevention and treatment. All proceeds from the sale of these posters go to support SUD education, prevention, and treatment in our community.

The cost is \$8 per poster. The posters are currently available at both Oryana locations, ATS' the PORCH, The Red Dresser, Robert Frost, Peninsula Market, both Oleson locations, Burritt's Fresh Market, and the AREA Posters Facebook page. You can also email me directly and I can coordinate a pickup with you. Cash, credit cards, or checks, made payable to Catholic Human Services, are accepted.

We have raised over \$29,500 so far and have purchased Naloxone Safety Kits that have been installed at the Woodmere (2nd floor), East Bay, Peninsula, & Kingsley libraries, Living Hope Church, Salvation Army, the 86th District Court, the 13th Circuit Court, the Goodwill Inn, the Friendship Community Center, Central United Methodist Church, the Northwestern Michigan College Library, the BATA Bus transfer stations, the Traverse City Airport, the Children's Advocacy Center, Boone's Car Wash, the Grand Traverse County Health Department, the Interlochen Center for the Arts, Northwest Michigan Health Services, Fox Motors, Leelanau Senior Services, and Seven Hills.

We donated \$5,000 to Addiction Treatment Service's Phoenix house to help support women in recovery. Women can bring their children with them to Phoenix House, so the donation will also support the children that live there. The Grand Traverse Pie Company matched with a \$3,000 donation. We are planning to make another \$5,000 donation in the near future and are seeking community members and organizations that would like to match our donation at any level. If interested in making a donation, please contact Lauren Reed at gtcdrugfreecoalition@gmail.com.

LAW ENFORCEMENT TOOLKIT

The Behavioral Health Initiative Reduce Stigma Against Substance Use Disorders Action Team has developed a stigma education toolkit to share with our law enforcement and first responder partners!

This toolkit is intended to be utilized within an agency to educate on substance use stigma and the impacts of stigma. The materials included can be used together or individually; this resource is designed to be used to fit your needs. A Start Here guide is included to help familiarize yourself with the materials.

They have also developed resource guides for each county that provide quick information on recovery, treatment, and harm reduction services. These can be printed and given to employees or referred to when necessary.

Click Here to access the toolkit! [Law Enforcement First Responder Stigma Toolkit](#).

A feedback form is included within the Start Here guide, please provide your feedback when utilizing this resource. This will help to keep the materials relevant and effective. The link to the feedback form is included here as well. [Toolkit Feedback Form](#)
